128,100 sq ft of space with emphasis on sustainability, flexibility, technology and wellbeing.

...COMMITTED TO LONG-TERM SUSTAINABLE GROWTH...

50 Finsbury Square, EC2

Given continued demand for high quality spaces, and the confidence we have in our buildings, in December 2020, we committed to the extensive repositioning of 50 Finsbury Square, EC2. Our 128,100 sq ft refurbishment will enlarge the office floor plates within the existing frame of the building, create a large reception with a concierge as well as an improved retail, leisure and amenity offer. The new building will be a sustainability and wellbeing exemplar delivering on all four pillars of our Sustainability Statement of Intent and will become the most tech-enabled building in our portfolio.
