Great Portland Estates plc (the "Company" or "GPE")

Successful placing of Rights Issue Rump

Following the announcement regarding acceptances under the Rights Issue announced by the Company on 23 May 2024, the Company confirms that BofA Securities, Deutsche Numis and J.P. Morgan Cazenove as Joint Global Coordinators and Joint Bookrunners, and Santander as Co-lead Manager (together with the Joint Global Coordinators and Joint Bookrunners, the 'Underwriters') have procured subscribers for all of the 9,280,331 New Ordinary Shares not validly taken up in the Rights Issue, at a price of 340 pence per New Ordinary Share.

The net proceeds from the placing of such New Ordinary Shares (after the deduction of the Rights Issue Price of 230 pence per New Ordinary Share and the expenses of procuring subscribers including any applicable brokerage and commissions and amounts in respect of VAT which are not recoverable) will be paid (without interest) to those persons whose rights have lapsed in accordance with the terms of the Rights Issue, pro rata to the entitlements not taken up, save that no payment will be made of amounts of less than £5.00 per holding, which amounts will be aggregated and ultimately accrue for the benefit of the Company.

Funds and accounts under management by direct and indirect investment management subsidiaries of BlackRock Inc. ("BlackRock") hold more than 10 per cent of the issued ordinary share capital in the Company. BlackRock is therefore a "substantial shareholder" in the Company and is considered to be a 'related party' for the purposes of Listing Rules. The Company notes that BlackRock has agreed to subscribe for 1,200,000 New Ordinary Shares in the placing at the placing price for a total consideration of approximately £4.08 million. This transaction constitutes a 'smaller' related party transaction under Listing Rule 11.1.10 R(1).

Capitalised terms used in this announcement have the meanings given to them in the prospectus dated 24 May 2024 (the "**Prospectus**"), which is available on the Company's website (www.gpe.co.uk/investors).

Information to Distributors

Solely for the purposes of the product governance requirements of Chapter 3 of the FCA Handbook Product Intervention and Product Governance Sourcebook (the "**UK MiFIR Product Governance Requirements**"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the UK MiFIR Product Governance Requirements) may otherwise have with respect thereto, the New Ordinary Shares have been subject to a product approval process, which has determined that such securities are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, as respectively defined in paragraphs 3.5 and 3.6 of the FCA Handbook Conduct of Business Sourcebook; and (ii) eligible for distribution through all permitted distribution channels (the "**Target Market Assessment**").

Notwithstanding the Target Market Assessment, distributors (such term to have the same meaning as in the UK MiFIR Product Governance Requirements) should note that: the price of the New Ordinary Shares may decline and investors could lose all or part of their investment and the New Ordinary Shares offer no guaranteed income and no capital protection; and an investment in the New Ordinary Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the sale of the New Ordinary Shares. Furthermore, it is noted that, notwithstanding the Target Market Assessment, the Underwriters will only procure investors (in connection with the Rights Issue) who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of Chapters 9A or 10A respectively of the FCA Handbook Conduct of Business Sourcebook; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the New Ordinary Shares.

Each distributor is responsible for undertaking its own Target Market Assessment in respect of the New Ordinary Shares and determining appropriate distribution channels.
